

SB05 IMARI

KOMMODE / CHEST OF DRAWERS
DESIGN: PHILIPP MAINZER, 2004

Der Korpus des SB05 IMARI wird aus 30 mm starkem Holz gefertigt. An den Schubladenfronten dient jeweils eine durchgehende Öffnung als Griffleiste. Für das sanfte Schließen der Schubladen sorgt eine Dämpfungsfunktion an den Auszugsbeschlägen. Zum Ausrichten ist das SB05 IMARI mit Einstellfüßen versehen. Durch zwei mitgelieferte Beschläge lässt sich die Kommode mit Abstand an der Wand fixieren. SB05 IMARI stellt eine besonders gute Kombination mit den Betten SL02 MO und PA02 NOAH dar. Das Innenmaß der jeweils zwei Schubladen beträgt L 900 / 700 / 500 x T 370 x H 180 mm. SB05 IMARI wird in einem Stück geliefert. /

The body of the SB05 IMARI is made of 30 mm (1 $\frac{3}{8}$ inch) solid wood. The front of each drawer features an open end-to-end slot as a handle. For gentle automatic closure of the drawers the SB05 IMARI is fitted with a special hardware. Two delivered fixtures allow it to be securely fixed with a distance to the wall. For levelling the furniture is fitted with adjustable feet and blends superbly with the beds SL02 MO or PA02 NOAH. The inner dimension of the respective two drawers is L 900 / 700 / 500 x T 370 x H 180 mm (L 35 $\frac{3}{8}$ / 27 $\frac{1}{2}$ / 19 $\frac{5}{8}$ x D 14 $\frac{1}{2}$ x H 7 $\frac{1}{8}$ inch). SB05 IMARI is delivered as one piece.
